## □ 1906

Mr. PETRI changed his vote from “aye” to “no.”

Ms. KILPATRICK changed her vote from “no” to “aye.”

So the decision of the Chair stands as the judgment of the Committee.

The result of the vote was announced as above recorded.

## PARLIAMENTARY INQUIRY

Mr. SHADEGG. Madam Chairman, I have a parliamentary inquiry.

The Acting CHAIRMAN. The gentleman will state his parliamentary inquiry.

Mr. SHADEGG. As I understand the ruling of the Chair, it is appropriate for me to say I support the gentleman's amendment because I do not support cuts in skilled nursing facilities or cuts in rehabilitation facilities or cuts in long-term care hospitals or cuts in oxygen, or cuts in brachytherapy, or cuts in end-stage renal disease or cuts in Medicare Advantage; but that I cannot say which appear in their SCHIP bill. Is that correct?

The Acting CHAIRMAN. It is permissible to identify as preferable an alternative object for funding. It is not permissible to dwell on the merits of that alternative object.

The gentleman may proceed.

Mr. SHADEGG. I thank you very much for your ruling.

Madam Chairman, I do rise in support of the gentleman's amendment. I believe that we have to find the funding necessary for essential government programs and that cutting the Secretary of Agriculture is much better than cutting such programs as skilled nursing facilities, rehabilitation facilities, long-term care hospitals, oxygen under Medicare, brachytherapy under Medicare, end-stage renal disease funding under Medicare or Medicare Advantage.

For those reasons, I rise in strong support of the gentleman's amendment.

Madam Chairman, I yield back the balance of my time.

## MOTION TO RISE OFFERED BY MR. HOYER

Mr. HOYER. Madam Chairman, I intend to ask for unanimous consent

after the motion that I make and we rise, and then I will make a statement on the schedule that I perceive to be in front of us for such time as it may take to complete the business of the people of our country.

I move that the Committee do now rise.

The Acting CHAIRMAN. The question is on the motion to rise.

The question was taken; and the Acting Chairman announced that the ayes appeared to have it.

## RECORDED VOTE

Mr. GINGREY. Madam Chairman, I demand a recorded vote.

A recorded vote was ordered.

The vote was taken by electronic device, and there were—ayes 235, noes 153, not voting 49, as follows:
